Premium Rebate per 1000 SA	nil	2.00	3.00	3.75

Surrendering your Policy

Your policy will acquire a surrender value after all due premiums for at least 3 full policy years are paid. The Guaranteed Surrender Value is a percentage of premiums paid (excluding any premiums paid towards rider/s benefit, underwriting extras and service tax) plus the surrender value of accrued regular bonuses less maturity benefit already paid. The Guaranteed Surrender Value will vary depending on the policy term and the year the policy is surrendered.

Your policy will also be eligible for a Special Surrender Value. The Surrender Value payable will be the higher of Guaranteed Surrender Value or Special Surrender Value. The policy shall be terminated once the Surrender Value is paid. Please ask your financial advisor for an illustration of the Surrender Values applicable to your policy or refer to your policy contract for further details.

We shall charge interest on the outstanding loan balance at a rate declared by us from time to time based on then prevailing market conditions. Any outstanding loan balance will be recovered by us from policy proceeds due for payment and will be deducted before any benefit is paid under the policy. Should the outstanding policy loan balance equal or exceed the surrender value of your policy at any time, when your policy is in reduced paid up status, then the policy shall be terminated without any value. Note that prior to this happening, we shall give you an opportunity to repay all or part of your outstanding loan balance in order for your policy to continue uninterrupted.
