PREMIUM PROVISIONS

Policy Premium

Your Policy Schedule shows the annual premium, the premium paying mode, the installment premium and its due dates. Subject to the Policy Discontinuance provision, we must receive policy premiums when due in order for this contract to be valid and remain in effect.

POLICY BENEFIT PROVISIONS

The below mentioned benefits are payable if your policy is still in effect at the time the benefit is payable.

Death Benefit

Your Policy Schedule shows the Sum Assured and Sum Assured Option applicable to your policy.

For Level Sum Assured Option, your sum assured at inception will remain constant throughout the policy term.

For Increasing Sum Assured Option, on every policy anniversary your sum assured at inception will increase by the percentage as shown in Your Policy Schedule chosen by you at inception. This cannot be changed during the policy term. However your premium amount will remain unchanged.

In this policy the Sum Assured on Death is higher of:

- 10 times of the annualised premium for all ages; or
- 105% of all the premium paid as on the date of death; or
- Sum Assured as on the date of death

In the unfortunate event the life insured dies before the policy maturity date, we will be liable to pay to the nominee/ legal heir the applicable Sum Assured on Death. The nominee has an option to take the Sum Assured on Death as follows:

- Lump sum payment or;
- Staggered payment as explained below
 - One-time payout of 20% of Sum Assured on Death at the time of claim settlement *plus*;
 - Annual income as a fixed percentage of Sum Assured on Death will be payable on each death anniversary of the life insured over the chosen payout term. The fixed percentage of Sum Assured on Death for different payout terms to calculate the annual income is given below:

Payout Term	% of Sum Assured on Death
10	11%
15	8.37%
20	7.12%

If the nominee has chosen to take the Sum Assured on Death as staggered payment at the time of claim payment, the nominee subsequently can opt for a lump sum payment instead of the staggered payment. We will pay the discounted value of the outstanding annual income payouts as a lump sum subject to a minimum of the Sum Assured on Death payable less death benefit payout already paid by BSLI. The discounted value currently shall be calculated using an interest rate of 6.25% per annum. This is subject to change with prior IRDA approval.

The policy will terminate once the death benefit is paid to the nominee.

Total and Permanent Disability (TPD) Benefit

Your Policy Details shows the Total and Permanent Disability Benefit applicable to your policy.

In the unfortunate event the life insured suffers from Total and Permanent Disability before the policy maturity date, we will pay the Total and Permanent Disability benefit as shown in Your Policy Schedule to the life insured. The death benefit as explained in Death Benefit provision remains unaffected.

Total and Permanent Disability (TPD) is defined as the loss of the physical ability through an illness or injury to do at least 3 of the 6 tasks listed below ever again.

1. **Bathing** - the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means;
2. **Dressing** - the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances;
3. **Getting in and out of bed** - the ability to move from a bed to an upright chair or wheelchair and vice versa;
4. **Maintaining personal hygiene** - the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
5. **Feeding oneself** - the ability to feed oneself once food has been prepared and made available.
6. **Getting between rooms** - the ability to move indoors from room to room on level surface.

The attending specialist medical practitioner must reasonably expect that the disability will last throughout life with no prospect of improvement, irrespective of when the cover ends or the life insured expects to retire. The life insured must need the help or supervision of another person and be unable to perform the task on their own.

The disability should last for continuous period of at least 180 days following the date of the event causing the disability to be eligible for Total and Permanent Disability benefit. If the life insured dies during this period no benefit shall be payable under Total and Permanent Disability.

Total and Permanent Disability should occur independently of any other causes within 90 days of such injury.

Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.

8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
